

**Grant Writing Proposal 2020  
Co.Act Detroit**

Thank you for contacting S5 Consulting Group for all your fundraising, development, and grant writing/reporting needs! S5 is a full-service consulting firm specializing in non-profit grant writing, research, fund development, annual appeals, estate planning, capital campaigns, leadership development, strategic planning, board advisement, and direct marketing development.

With over 20 years of experience in the fundraising, development, and grant management fields, we have specialized experience in the arts and culture, human services, animal rights, health, social injustice, and educational fields. Most notably, since S5's inception, we have raised over \$50 million in capital campaign, operating, and project/program and development support. Additionally, S5 has been able to cultivate, develop, and maintain client partnerships with major institutions, including USDA, US Dept of Ed, HUD, NIH, US Dept of Labor, US Dept of Justice, US Dept of the Treasury, and other state, county, city, and local agencies in multiple states.

Below, you will find an estimate for the services that you have requested. Please note, this estimate is subject to change only upon revision/acceptance by both S5 Consulting Group and Co.Act Detroit.

S5 Consulting Group will provide fundraising services such as: grant research, writing, submission of new federal, local, state, corporate grants (or resubmission), and grant management; board and staff advisement; strategic planning; leadership development; and, other non-profit development and fundraising on behalf of Co.Act Detroit during the grant period of July 1, 2020-March 31, 2021.	Non-profit fundraising and development services will be provided at a rate of \$50 per hour during the grant period of July 1, 2020-March 31, 2021.
<b>TOTAL</b>	<b>\$50 per hour, OR rates as agreed upon per project (where necessary).</b>
