

Nonprofit Standard Consulting Rates

(CONFIDENTIAL)

TLG negotiates with our clients to charge rates either hourly, daily or by the project. Our typical nonprofit fees for professional services are:

- Hourly: \$150-\$200
- Daily: \$1200 - \$1500
- Project Basis: Negotiated with Client

TLG prefers to invoice for half of the total amount of estimated consulting fees at the start and the mid-point of a project. Alternative invoicing can be arranged by mutual agreement.
